- Confirmed usability
- More than 500.000 times sold
- Simple as always
- New: smaler and with fine details

The emporiaTALKcomfort is a compact version of the classic emporia mobile phone combining high quality with good design. The TALKcomfort is wonderfully easy, focusing on phone calls and text messages and removing the need for a menu – all of the important functions are quickly accessible from buttons on its side. Its wide display and large keys give it a fresh stylish look and make it incredibly easy to use.

Simplify your communication.®
